TRAVEL SOCCER INFORMATION

NorthWood Soccer Club offers a travel soccer program for boys and girls in the U10 to U14 age groups that compete in the Indiana Soccer League. For this upcoming year, kids born between 2010 and 2016 are eligible to play. A limited number of players born in 2017 may be permitted to play.

All teams play two seasons throughout the school year, one in the fall and one in the spring. Players are not required to play both seasons, although it is highly recommended. Each season is 8-10 weeks with the fall season starting in August, and the spring season starting in March. A season consists of two practices per week and 1-2 games on the weekend. All practices and home games are at Wellfield Park in Nappanee. Travel for away games is limited to northern Indiana.

Once a player is placed on a team, the cost per season is \$200. The only other additional cost is the uniform for around \$100. Uniforms can be worn until the player grows out of them.

TRYOUT DAY INFORMATION

Tryout attendance is mandatory to be considered for team placement. This includes returning players. If a player does not attend the tryout, then they may not be placed on a team. Our goal is to place all players that attend the tryout on a team. There is no fee for trying out.

When arriving at the tryout, a parent must be present to check in their player(s). Players will then go to their respective coach to be evaluated. Parents will have a brief meeting to discuss important information for the upcoming season and fill out any needed forms.

Parents will receive an email within a week after the tryout with team placements and follow up information on what is needed.

If you have questions ahead of the tryout, please email northwoodpumas@gmail.com
